INVITATION TO PARTICIPATE IN THE SCIENTIFIC CONFERENCE

Dear,

The Bijeljina Faculty of Education of the University of East Sarajevo invites you to the XVI International Scientific Conference on the topic

”Science and teaching today”

which will be held at the Faculty of Education in Bijeljina, **October 2-3, 2026**. The goal of the Scientific Conference is to improve teaching in the spirit of scientific achievements, and the interaction of science and teaching practice.

Exchanged ideas, opinions and research results, through the mutual dialogue of the participants, takes place within the following topics:

- o **Science and classroom teaching today**
- o **Science and preschool education today**
- o **Science and teaching of Technical education and informatics today**
- o **Free topics**

Participation in the Scientific Conference is registered on a [Google form](#). The abstract, up to 250 words (with blank spaces), should contain theoretical starting points, research objective, methodology description, basic results and conclusions, and up to 5 keywords. Write an abstract in one of the languages of the constituent peoples of Bosnia and Herzegovina, and a translation into English is mandatory. The application deadline is **September 14, 2026**.

The registration fee for participants presenting at the Scientific Conference is **200 KM (100 €)**. For partners of the scientific conference, the registration fee is **100 KM (50 €)**. Authors who are unable to attend can present their papers online. The registration fee for online participation for all authors is **60 KM (30 €)**. The indicated amount of the registration fee must be paid by **October 2, 2026**, to the account of the University of East Sarajevo, Faculty of Education, Bijeljina, bank account number 562-099-809-50598-34, with a call to the number 0000000609 and the indication Registration fee for the scientific conference or in person on the day of the scientific meeting together in the premises of the faculty.

The final program of the Scientific Conference will be published by September 28, 2026.

Final papers in English, which in terms of scope and structure should comply with the APA standard, should be sent by **December 1, 2026**. After this deadline, works will not be accepted. All papers that have passed a double independent international review will be published in the Proceedings of the Faculty of Education.

Authors will be notified of the results of the review process no later than **December 30, 2026**.
